: JURY TRIAL DEMANDED  
SONY MOBILE COMMUNICATIONS :  
(USA) INC., F/K/A SONY ERICSSON :  
MOBILE COMMUNICATIONS (USA) INC., :  
: Defendant. :  
:

**COMPLAINT**

Plaintiff Arendi S.A.R.L. (“Arendi”) for its Complaint against Defendant hereby demands a jury trial and alleges as follows:

**Related Actions**

1. This case is related to two cases previously consolidated before Judge Stark, 09-cv-00119 (D. Del.) (LPS) and 11-cv-00260 (D. Del.) (LPS), both of which settled after extensive dispositive motion practice. This case is also related to the other actions filed simultaneously by Arendi today, which involve the same patents-in-suit and common facts.

**The Parties and Accused Products**

2. Plaintiff Arendi is a corporation organized under the laws of Luxembourg with its principal place of business in Luxembourg.

3. On information and belief, Defendant Sony Mobile Communications (USA) Inc. f/k/a Sony Ericsson Mobile Communications (USA) Inc. (“Sony Mobile”) is a Delaware corporation with its principal place of business located at 7001 Development Drive, Research

Triangle, North Carolina, 27709. Sony Mobile's registered agent for service of process is Capitol Corporate Services Inc., 1675 S. State Street, Suite B, Dover, Delaware 19901.

4. Sony Mobile transacts substantial business, either directly or through its agents, on an ongoing basis in this judicial district and elsewhere in the United States.

5. Sony Mobile makes, uses, imports, offers to sell, and sells (and/or has made, used, imported, offered to sell, and sold) in the United States and in this judicial district, the Sony Xperia (Model LT30at), Xperia (Model Sony Tablet S) and other mobile phones, smartphones, computers and tablet devices containing the same or similar information handling technology disclosed in the asserted patents described herein (collectively, the "Accused Products").

**Nature of the Action**

6. This is a civil action for infringement of United States Patents No. 7,917,843 (the "843 Patent"), No. 7,496,854 (the "854 Patent"), and No. 8,306,993 (the "993 Patent"). This action arises under the Patent Laws of the United States, 35 U.S.C. § 1 *et seq.*

**Jurisdiction and Venue**

7. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1338(a).

8. Personal jurisdiction is proper in this district because, among other reasons, Sony Mobile has a continuous presence in this District, Sony Mobile committed acts of infringement in this District and a substantial part of the events or omissions giving rise to this claim occurred in this District. Sony Mobile placed, and continues to place, Accused Products into the stream of commerce, through an established distribution channel, with the knowledge and/or understanding that such products are used and sold in this District. This causes injury to Arendi in this District. On information and belief, Defendant derives substantial revenue from the sale of Accused

Products distributed within the District, and derives substantial revenue from interstate and international commerce.

9.     Venue is proper in this district pursuant to 28 U.S.C. §§ 1331(b) and (c), and 1400(b), because Sony Mobile committed acts of infringement in this district and a substantial part of the events or omissions giving rise to this claim occurred in this District.

**The Patents-In-Suit**
